

Organizational Resilience Capability Assessment Fee Structure

The online organizational resilience capability assessment system is designed to be used by a single organization with one or more assessors conducting an assessment. Alternatively, consultants or organizations could conduct multiple assessments for a single organization, single assessments for multiple organizations, or multiple assessments for multiple organizations.

In order to best meet the needs of multiple users and multiple assessments, we have implemented the following fee structure:

	Description	Number of Assessments	Access Time	Cost
Single use / Single user	One login with access for one admin user	One assessment	12 months	\$1,195.00 USD
Single use / Multiple users	Access for multiple users (up to 5) with one admin user and 4 assessors	One assessment	12 months	\$1,345.00 USD
