Crisis Communication

Pandemic Impact Assessment: Public / Employee View

- Public's view is AFFECTIVE / EMOTIONAL
 - Shaped by stakeholder perception
 - Influenced by stakeholder outrage
 - Based upon personal experience and impact
 - "Not fair" & "They don't have any feelings"

Crisis Communication

Key Asset: Employees

- Without informed, dedicated and trusting employees the pandemic response will fail
- How can the organization help employees and their loved ones in this time of crisis?
- Leaders must listen, explain hard decisions with context, be visible (in person, video)
- Understand that all employees - across industries – are currently experiencing stress
